BEFORE THE PRESIDING OFFICER LABOUR COURT, HIMACHAL PRADESH, SIMLA

CASE No. 93 OF 1978

Shri Bihari Lal, Driver son of Shri Munshi Ram, Village Deharian, P.O. Gummer, Tehsil Dehra, District Kangra, Himachal Pradesh .. Applicant.

Versus

The Dehra Friends Co-operative Transport Society Limited, Dehra, District Kangra .. Respondents.

DATE OF DECISION 8-4-1980

Himachal Pradesh Government vide Notification No.7-66/76-LEP(Shram), dated 26th August, 1978, has made reference to this Court for adjudication with the following terms of reference:—

"Whether the termination of services of Shri Bihari Lal Driver by the Dehra Friends Co-operative Transport Society Limited, Dehra is justified and in order? If not, to what relief and exact amount of compensation Shri Bihari Lal is entitled to?"

2. The applicant was directed to put in his claim petition regarding this reference matter. He accordingly has put in application 22nd December, 1978 that he joined the respondents society as driver. That the applicant received a notice on 23-12-1975 for termination of his services after one month's period from the service of the notice. This attempt on the part of the respondents to terminate the applicant's services was frustrated by him on the intervention of the Labour Department. The Respondent had to withdraw the said notice. Thereafter the applicant was put on duty at Gagret to look after the repair of the Bus by attending to it for all the 24 hours. When the applicant applied for night halt allowance at Rs. 4 per day the respondents society refused.

3. The applicant is alleged to have been charge-sheeted on false allegations to which he had furnished proper reply. Even then he was dismissed from service on 28-12-1976 without being afforded any opportunity to defend himself. That termination of applicant's services was illegal and against the principles of natural justice. Therefore, the applicant has claimed re-instatement and payment of full wages from the date of termination.

4. The respondents society raised preliminary objection against the maintainability of this reference on the plea that the dispute between the co-operative society and its employee was entertainable by the Registrar Co-operative Societies under the H.P. Co-operative Societies Act, 1968.

5. On merits it has been contended that the applicant fraudulently claimed Rs. 16/- as allowance for the days actually he was on leave on 8-7-1976, 9-7-1976, 26-7-1976 and 27-7-1976. In May, 1976 also he claimed one day's T.A./D.A. falsely. It is further alleged that when the applicant was put on the body building duty for the bus at Gagret he was not attending duty there properly. On 17th and 18th August, 1976 he was detected to be absent from the duty at the workshop at Gagret by the Director of the society Shri Krishan Datt.

6. The facts of issuing a general notice to the workers in December, 1975, and later on being withdrawn are admitted.

7. As regards the T.A./D.A. claim of the applicant for his duty at Gagret Workshop for body building of the bus it is stated that it was the normal duty of a driver and his stay at Gagret within operational area could not be treated outside the sphere of his duties.

8. That the applicant having proved himself to be dishonest and un-punctual had to be terminated.

9. The applicant also filed a replication re-asserting his position made out in his application.

10. The following issues came to be framed to have the matters in dispute settled:—

- (1) Whether the present dispute between the parties under reference with this Labour Court is beyond its jurisdiction and is entertainable by the Registrar Co-operative Societies, Himachal Pradesh under the Co-operative Law? OPP (Onus Objected.)
2. Whether the petitioner was dismissed from service on 28-12-1976 without being given opportunity to place his defence? OPP.
3. Whether the petitioner is entitled to re-instatement and back wages? OPP.
4. Relief.

FINDING ON ISSUES

Issue No. 1:

11. This issues has already been decided for the applicant per order dated 5-7-1979.

Issue No. 2:

12. The applicant in his evidence (PW 1) has merely stated that he was dismissed from service on 28-12-1976 and has failed to show and state that this dismissal was invalid for any reason. In cross-examination he admitted that he had received the charge-sheet and the enquiry was held by Shri Munshi Ram (Retired Major). Of course in cross-examination he states that no hearing was given to him.

13. The applicant was charge-sheeted as under *vide* charge-sheet dated 7th September, 1976 marked 'XX':—

- (1) Attempting to cheat the society by claiming T.A./D. A. for period of leave and absence from duty days, in that you will fully put up a claim for T.A./D.A. to cheat the society as per detail:—
 - (a) at rate Rs. 4/- per day for 29-5-1976 one day when you were out on sanctioned leave (cheating to the extent of Rs. 4/-).
 - (b) at rate Rs. 4/- per day for 8-7-1976 and 9-7-1976 two days when you were on leave of absence *vide* your application dated 7-7-1976 (cheating to the extent of Rs. 8/-).
 - (c) at rate Rs. 4/- per day 26-7-1976 and 27-7-1976 two days when you were absent from duty at Gagret as per report incharge workshop Shri Kishan Chand (cheating to the extent of Rs. 8/-).

- (2) Absenting himself without leave in that you when posted on duty at Gagret to attend repairs on society bus No. HPK 254 absent himself on 28-7-1976 to 30-7-1976 3 days without prior permission.

14. RW 3/D are the enquiry statements of Shri Durga Dass, Accountant of the respondents society and the applicant Shri Bihari Lal, recorded by Shri Munshi Ram (Major) President of the Society dated 25-9-1976. Ex. RW 3/D/1 is the enquiry findings. According to these findings the allegations of the charge-sheet have been held to be proved against the applicant.

15. On the basis of these findings the Management *vide* its resolution dated 28-12-1976 terminated the services of the applicant.

16. I have perused the statement of Shri Durga Dass, Accountant as witness and Shri Bihari Lal applicant (RW 3/D) recorded by the Enquiry Officer. The findings stand supported and substantiated by these statements read with the connected record Ex. RW 3/C the report of Shri Paras Ram Supervisor respondents society, Jawalamukhi, RW 4/A, applicant's T. A. bill for the month of July, 1976. Ex. RW 4/C T.A. bill of the applicant for May, 1976, Ex. RW 4/B applicant's leave application for 8th and 9th July, 1976 duly sanctioned.

17. These findings on the charge sheet of attempting to get T.A. for the days of leave and absence and remaining absent from duty at Gagret Workshop

on 17th and 18th August, 1976 and from 28th July to 30th July, 1976 without sanction of the leave from Gagret Workshop are duly proved by the evidence examined in this Court also per the statements of S/Shri Kishan Chand, Pritam Singh, Amar Singh and Durga Dass (RW 1 to RW 4). They have supported these facts with reference to report Ex. RW 1/A and RW 3/G. RW 4/A to RW 4/C.

18. The applicant has admitted the enquiry being held by Shri Munshi Ram (Major) and his statement recorded by him. The applicant has failed to lead any evidence to show that the charge-sheet allegations levelled against him were incorrect. He could produce the Proprietor or workers of bus body building Workshop Gagret, Shri Laskhar Singh, Adda Incharge Jawalamukhi and his own colleagues drivers and conductors regarding his presence at the duty place at Gagret. In any case admittedly he has tried to charge T.A. from the respondents society for the days of leave especially 8th and 9th July, 1976 per bill RW 4/A when he was on leave as shown by application Ex. RW 4/B, dated 7-7-1976.

19. For all that has been discussed above the applicant was not dismissed from service without being given opportunity to produce his defence. He was at liberty to produce the same even before this Court. This issue, therefore, is held against the applicant.

Issue No. 3:

20. For the foregoing finding on Issue No. 2 the applicant is not entitled to re-instatement or back wages.

Issue No. 4:

21. In result this reference is answered in the affirmative but the parties are left to their respective costs.

Applicant.

The Dehra Friends Co-operative Transport Society Ltd., Dehra, District Kangra, Himachal Pradesh

Respondents.

DATE OF DECISION 8-4-1980

AWARD/JUDGEMENT:

The Himachal Pradesh Government Labour Department, *vide* Notification No. 7-66 76-LEP-Shram, dated October, 30, 1978, referred this Industrial dispute for adjudication to this Labour Court with the following terms of reference—

“Whether the termination of Service of Shri Milap Chand Conductor by the Dehra Friends Co-operative Transport Society Limited, Dehra is justified and in order? If not to what relief and exact amount of compensation Shri Milap Chand Conductor is entitled to?”

2. The applicant was asked to put in this detailed claim regarding the reference. In his application dated 17-1-1978 he has shown that he was employed as a Conductor by the respondents Co-operative Society and that he was wrongly charge-sheeted by the President of the Respondents society *vide* No. 3177-DFCTS, dated 23-11-1977. That his services were terminated without conducting any enquiry. The applicant alleges that he had denied the charge and no amount was debited to the society on account of repair of the steering pipe. That termination of the applicant's services is illegal. The applicant, therefore, claims reinstatement and back wages.

3. The respondents society has contested the claim on diverse grounds. A preliminary legal objection is taken that the dispute between the Cooperative society and its employees is entertainable by the Registrar Co-operative Societies and not by an Industrial Labour Court.

4. On merits it is alleged that the applicant had forged the cash memo No. 587 dated 28-2-1977 regarding repairs of threading steering pipe of bus No. HPK 254 of Rs. 4 to Rs. 40 mis-appropriating Rs. 36. It is further alleged that the applicant himself admitted in writing that he paid Rs. 40 to Suneja Engineering Works, Nagrota Bagwan for the said repair. That the applicant has been rightly dismissed being a corrupt worker.

5. The following issues were frame to determine the dispute between the parties:—

- (1) whether the dispute between the parties is not covered by the Industrial Disputes Act but is within the jurisdiction of the Registrar Co-operative societies under section 72(1) (E) of the H.P. Co-operative Societies Act, 1968? OPP
- (2) Whether the applicant's services were terminated under a wrong charge-sheet dated 23-11-1977 and without conducting any inquiry? OPP.
- (3) Whether the petitioner is entitled to re-instatement and back wages? OPP.
- (4) Relief.

FINDINGS ON THE ISSUES

Issue No. 1:

6. This issue stands already decided for the applicant *vide* order dated 4-7-1979.

Issue No. 2:

7. Ex.RW 4/D is the charge-sheet served on the applicant for mis-appropriation of Rs. 36/- by changing the repair bill of Rs. 4/- into Rs. 40/- for the repair of threading steering pipe of bus No. HPK 254 on 28-2-1977. The charge-sheet also alleges that the applicant had admitted on 22-11-1977 in the presence of the President of the Respondents Society in a written statement that Rs. 40/- had been paid by him for the repair.

8. Ex. R-5, is the reply of the applicant dated 28-11-1977 to the charge-sheet issued against him. The applicant explains that it were driver Shri Karnail Singh and Conductor Des Raj who had carried out the repairs in question and brought the Bill of repair from Nagrota Bagwan for Rs. 4/- It was merely countersigned by the applicant as Adda Incharge, Jawalamukhi and submitted to the office.

9. As regards the written admission dated 22-11-1977, he states that the President of Respondents Society had said in a threatening posture if he had paid Rs. 40/- for the Bill and at the same time a paper and pen was handed over to him with the direction that he should write down as the Accountant says. Accordingly the applicant wrote down whatever was dictated by the Accountant under the undue influence of the President of the respondents society. This charge of Rs. 4/- into Rs. 40/- might have been done by the office people. The applicant is not in the know of it. He denies to have mis-appropriated any money and that in the society account only Rs. 4/- have been accounted for.

10. Ex.R-5 is the writing dated 22-11-1977 whereunder the applicant has given in writing that Rs. 40/- payment for repairs to M/s Suneja Engineering Works Nagrota Bagwan for Bus No. HPK 254 on 28-2-1977 was done by him and he had rendered its account to Shri Dhani Ram.

11. Ex.R-6 is the duplicate bill for the repair in question dated 28-2-1977 for Rs. 4/- while Ex.RW-1/A is the original bill wherein a dot is there with the figure 4 giving an impression of the amount of Rs. 40/-.

12. Ex.RW-4/B, is the note of Shri Dhani Ram that the applicant has rendered the account of Rs. 40/- for Bill No. 527 regarding Bus No. HPK 254 Ex.RW 4/C is

the note of Shri Karnail Singh, Driver that the payment for the repair in question was done by Shri Milap Chand.

13. Shri Dani Ram (RW 1) stated that he received the bill RW-1/A from the applicant and was send to Hoshiarpur along with other bills which were to be paid and accounted for at the society office at Jawalamukhi.

14. Shri Pritam Singh (RW 2) Store-keeper of the respondents society at Hoshiarpur states that he received the Bill Ex.RW 1/A along with other bills. The suspicion arose about the amount of the Bill being 4/- or 40/- when compared with the list attached showing the nature of the job and the amount. So he sent this bill for verification to the Head Office with a letter.

15. Shri Suresh Suneja Proprietor, Suneja Engineering Works, Nagrota Bagwan (RW-3) has verified the Bill in question for Rs. 4/- only.

16. Shri Mohinder Singh (RW 4), the President of the respondents society had taken note of the bill in question of receipt from Hoshiarpur having been sent by Shri Pritam Singh, Store-keeper. He collected the duplicate bill from Nagrota Bagwan which was only for Rs.4. Thereafter he put the matter to the applicant who admitted in writing that Rs. 40 have been paid for this Bill by him per Ex.RW 4/A.

17. Shri Mohinder Singh further states that when the duplicate bill for Rs. 4 Ex.R-6 was put to the applicant he simply kept quiet. Thereafter the applicant was charge-sheeted. Then the whole matter was considered by the Management and the applicant had been asked to produce evidence if he wanted when the matter was enquired into.

18. In corss-examination the witness stated that the applicant had received Rs. 40 for the Bill from Adda Incharge. Shri Dhani Ram but Shri Dhani Ram (RW 1) has not stated in so may Works. He simply stated about the presenting of the Bill to him.

19. The applicant confronted the witness Shri Mohinder Singh (RW 4) with the entry, of certain bills, made by him in his own register per copy marked 'X' wherein the bill in question is shown recorded for Rs. 4. But this Register as kept, is of no worth at all because it is the applicant's own register kept by him for his own purpose without the directions on the part of the respondents society. This register is not kept in regular course. In fact only there are entries on few pages on either side of the Register without any pages marked. Moreover this register had not been shown to the respondents management when the applicant was served with the charge-sheet.

20. As against the above evidence led by the respondents society, the applicant has merely made his own statement in evidence to show that the allegations against him regarding the mis-appropriation were wrong and no enquiry was conducted. The applicant (PW1) has stated that he had got repaired Bus No. HPK-254, in February, 1977 as Adda Incharge at Jawalamukhi. He had made payment of Rs. 4 for the Bill from a Mistry in that behalf but in the office at Jawalamukhi Shri Mohinder Singh, President along with Shri Dhani Ram Adda Incharge asked him to change Rs. 4 to Rs.40 in the bill and the same was sent to Hoshiarpur by the office. Here it is interesting to note that this is a new story introduced now by the applicant which was not there in the written reply given by him per Ex.R-5 dated 28-11-1977 which gives altogether a different version that he had not got done himself the repairs but it were Driver Karnail Singh and Conductor Des Raj who had got done the repair work.

21. The applicant further states that no charge-sheet was given to him nor any enquiry held before his termination. He alleges that there were two factions in the society management and he had been victimised. It appears that the applicant is out to say anything which gives a bad name to the respondents society and saves his skin.

22. I find from the statement of Shri Mohinder Singh (RW 4) that the Management had not conducted the enquiry in a regular manner according to any set

procedure against the applicant but by the evidence produced on the record of this case. I am satisfied that there was clearly a clever attempt on the part of the applicant to mis-appropriate respondents-employers money of Rs.36 with reference to the repair bill RW 1/A. This was a serious misconduct on his part and was indicative of the fact that the applicant was not a dependable worker for the respondents society which was running a small transport business. Therefore they were justified in terminating the applicants services.

23. The end result is, that the Issue No. 2 is held against the applicant.

Issue No. 3

24. In face of the finding of Issue No. 2 the applicant is neither entitled to re-instatement nor for back wages.

25. This reference is answered in the affirmative and parties are left to their own costs.

CASE No. 96/78

Shri Maru Ram son of Shri Khushi Ram resident of village Koi, P.O. Kasba Kotla, Tehsil Dehra, District Kangra, Himachal Pradesh. *Applicant.*

Versus

The Dehra Friends Co-operative Transport Society Ltd., Dehra. *Respondents.*

Date of Decision: 8-4-1980

AWARD/JUDGEMENT

The applicant was employed as Conductor by the Respondents Dehra Friends Co-operative Transport Society Ltd., Dehra. He joined the respondents society as Conductor in 1969 and his services came to be terminated on 14-3-1976. He contends that his services were terminated without issuing any show cause notice or assigning any reason. Conductors junior to him were kept in service. For reason of excess of the staff junior persons should have been terminated.

2. The applicant approached the Labour Department for vindicating his illegal termination but re-conciliation proceedings did not resolve the dispute. Further on he says that his services were terminated on 30-3-1976.

3. The Himachal Pradesh Government through Labour Department has referred the dispute as under to this Labour Court under section 7 of the Industrial Dispute Act, 1947 (I.D. Act):—

“Whether the termination of services of Shri Maru Ram Conductor, by the Dehra Friends Co-operative Transport Society Limited, Dehra is justified and in order? If not to what relief and exact amount of compensation Shri Maru Ram Conductor, is entitled to?”

4. A preliminary objection regarding the jurisdiction of the Labour Court to entertain this dispute between the co-operative society and its employee was raised.

5. The respondents society have further stated in their written statement that the applicant failed to perform his duties honestly and was caught many a time by the Checker in “TANKA”. He was warned so many times but of no avail. That the applicant had received injuries on his arms in an accident in 1972 and thereafter was put on light duty as Booking Clerk but there also he did not perform the duties well and he was asked to join as Conductor which he declined.

6. On the respective contentions of the parties, the following issues were framed:—

(1) Whether the dispute between the parties is not covered by the Industrial Dispute Act but is

within the jurisdiction of the Registrar Co-operative Societies under section 72(1)(e) of the Himachal Pradesh Co-operative Societies Act, 1968? OPR

- (2) Whether the applicant's services were terminated wrongly and illegally without following the procedure of natural justice of hearing him? OPR
- (3) Whether junior persons to the applicant were not terminated when the petitioner's services were terminated? OPR
- (4) Whether the applicant is entitled to re-instatement and back wages.
- (5) Relief.

FINDINGS ON ISSUES

Issue No. 1

7. This issue was decided for the applicant vide order dated 4-7-1979.

Issue Nos. 2 and 3

8. The applicant questions the legality of the termination of his services as Conductor of the Respondents society. His grievance as made out in para 3 of his claim petition is that he was terminated from service without issuing any show-cause notice and without assigning any reason. Further contention raised is that Conductors much junior to him were kept in service.

9. I do not think that any of these contentions have any force. The services of the applicant came to be terminated per notice Ex.A-1 dated 29-12-1975 and the order dispensing with the service is Ex.A-2 dated 29-3-1976. Ex.A-1 is one month's notice dated 29-12-1975 addressed to the applicant that the Society is undergoing loss and the applicant's services have been decided to be terminated on the expiry of one month's notice from the date of service of the same.

10. Ex.A-2 is the order of removal of the applicant from service dated 29/30-3-1976 that his services were no longer needed as there is surplus staff with the respondents society.

11. It is clear from the contents of Ex.A-1 and Ex.A-2 that the applicant was removed from service by way of retrenchment and not by way of punishment under any disciplinary proceedings. He has been given one month's notice. There was no necessity to issuing any more show-cause notice or assigning any more reasons than disclosed in Ex.A-1 and Ex.A-2.

12. The evidence led by the respondents of embazzlement incidents committed by the applicant per Ex.RW 1/A to RW 1/L relating to the period between 1969 and 1970 is irrelevant and misdirected attempt.

12. The applicant has failed to show that any junior conductor was retained in service by the Respondents society when he was discharged from the service. He has not pleaded any other ground attacking the retrenchment order passed by the respondents and served on him. Therefore, I do not find any illegality in the termination of applicant's services. So these two issues go against the applicant.

Issue No. 4

13. From the above findings on issue Nos. 2 and 3 it cannot be said that applicant's service termination is unjustified and not in order. Therefore, the applicant cannot be held entitled to re-instatement and back wages.

Issue No. 5

14. In result the applicant's claim fails and the reference dated 30th October, 1978 made to this Court is answered accordingly against the applicant. However, I leave the parties to their respective costs.

Shri Rasal Chand Conductor son of Shri Sudama Ram, Village and P.O. Dharampur via Talwara, Tehsil Dasuya, District Hoshiarpur ... *Applicant.*

Versus

Dehra Friends Co-operative Transport Society Limited, Dehra ... *Respondent.*

DATE OF DECISION 8-4-1980

AWARD/JUDGEMENT

Himachal Pradesh Government through Labour Department has referred this Industrial Dispute under Section 12(5) of the Industrial Dispute Act, 1947 (I.D. Act) for adjudication to this Court as under:—

“Whether the termination of services of Shri Rasal Chand, Conductor, by the Dehra Friends Co-operative Transport Society Limited, Dehra is justified and in order? If not to what relief and exact amount of compensation Shri Rasal Chand Conductor, is entitled to?”.

2. The applicant was asked to put in his claim petition with regard to this reference made by the Government in his case. The applicant contends that he had joined the respondents society about 11 years back as Conductor. That his services were terminated on 28-2-1976 without assigning any reason and no show-cause notice was served upon him by the Management. He further contends that Conductors much junior to him were retained by the Respondent society when he was removed from service. Therefore he claims re-instatement and back wages with benefit of increments, etc.

3. The preliminary objection regarding jurisdiction of the Labour Court to entertain this dispute between the co-operative society and its employees was raised.

4. The respondents have further contested the applicant's claim alleging that the applicant never discharged his duties honestly and was caught red handed so many times by the Checkers in “TANKA”. That the applicant himself resigned as conductor and accordingly on acceptance of his resignation he was discharged from service on 28-2-1976.

5. The following issues have been formulated to settle the controversy between the parties:—

- (1) Whether the dispute between the parties is not covered by the Industrial Dispute Act but is with in the jurisdiction of the Registrar Co-operative Societies under section 72(1) (e) of the H.P. Co-operative Societies Act, 1968? OPR
- (2) Whether the services of the applicant were terminated on 28-2-1976 wrongly and junior conductors than the applicant were allowed to continue in service? OPP
- (3) Whether the applicant resigned himself the services which was accepted vide resolution dated 28-2-1976 by the respondents? OPR
- (4) Whether the petitioner is entitled to reinstatement and back wages? OPP.

FINDINGS ON ISSUES

Issue No. 1

6. This issue was decided in favour of the applicant vide order dated 4-7-1979.

Issue No. 2

7. Ex.A-1 is the notice dated 29-12-1975 served upon the applicant that the Management has decided to terminate his services on the expiry of one month from the date of the service of the notice as the Society was undergoing loss and his services were no longer required. Ex. RW.1/A, is the resolution dated 21-12-1975 of the Management for dispensing with the services of the surplus staff due to the loss being incurred by the Respondents society. Therefore the services of the applicant were terminated from 28-2-1976

by way of retrenchment and not as a measure of punishment under any disciplinary action taken against him. So the applicant's contention that no charge-sheet was given or enquiry held against him for his removal from service is mis-directed. Equally misdirected is the attempt on the part of the respondents society to lead evidence of misconduct committed by the applicant in the year, 1969-70 per copies Ex.R-2 and R-3, Ex.RW.2/A, to Ex. RW 2/H.

8. The applicant has not alleged anything against the retrenchment effected by the respondents. He speaks about outstanding dues from the respondents society but these relate to gratuity, bonus, security and salary etc., per Ex. R.-1 and not to retrenchment compensation.

9. The applicant has further failed to prove by any evidence whatsoever that any junior conductor was retained when his services came to be terminated.

10. Hence it is clear from the above that services of the applicant were not terminated wrongly nor any junior Conductors to him were allowed to continue in service. The issue is thus held for the Respondent.

Issue No. 3

11. The respondents side has failed to show that the applicant had resigned himself and the same resignation was accepted vide resolution dated 28-2-1976 by the Respondents. So this issue goes against the Respondents.

Issue No. 4

12. In view of the finding under Issue No. 2 above the applicant is not entitled to reinstatement or back wages. Any how the parties are left to bear their respective costs.

ANNOUNCED: Presiding Officer,

BEFORE THE PRESIDING OFFICER, LABOUR COURT HIMACHAL PRADESH, SIMLA

CASE No. 100/78

Shri Mehar Singh, Conductor, village Chowki, P.O. Jol Sappar, Tehsil and District Hamirpur, H.P. ... *Applicant.*

Versus

The Dehra Friends Co-operative Transport Society Ltd., Dehra. ... *Respondent.*

DATE OF DECISION-8-4-1980

AWARD/JUDGEMENT

Vide Notification No. 7-66/76-LEP-Shram, dated October 30, 1978, Himachal Pradesh Government through Labour Department has referred this Industrial Dispute under section 12(5) of the Industrial Dispute Act, 1957 (I.D. Act), for adjudication to this Court as under:—

“Whether the termination of services of Shri Mehar Singh Conductor by the Dehra Friends Co-operative Transport Society Limited, Dehra is justified and in order? If not to what relief and exact amount of compensation Shri Mehar Singh, Conductor is entitled to?”.

2. The applicant was asked to put in his claim petition with regard to this reference made by the Government in his case. The applicant contends that he had joined the respondents society in 1972 as Conductor. The applicant was served a notice along with other workers on 30-12-1975 which was withdrawn. That at that very time he had applied for medical leave but he was removed from service on 5-1-1976. That his services were terminated on 5-1-1976 without assigning any reason and no show-cause notice was served upon him by the Management. Therefore, he claims re-instatement and back wages with benefit of increments etc.

3. The preliminary objection regarding jurisdiction of the Labour Court to entertain this dispute between the co-operative society and its employee was raised.

4. The respondents have further contested the applicant's claim alleging that the applicant never discharged his duties honestly and was caught red-handed so many times by the Checkers in 'TANKA'. That the applicant himself absented from duty after 5-1-1976 and never attended thereafter. The charge-sheet was framed but could not be followed up for absence of the applicant.

5. The parties joined the following issues for settling the dispute raised in this reference:—

- (1) Whether the dispute between the parties is not covered by the Industrial Dispute Act but is within the jurisdiction of the Registrar (Co-operative Societies) under section 72(1) (E) of the H.P. Co-operative Societies Act, 1968? OPR.
- (2) Whether the petitioner's service were terminated illegally on 5-1-1976? OPP
- (3) Whether the applicant was charge sheeted on 28-12-1975 and there after did not join the duties with effect from 5-1-1976 himself? OPR
- (4) Whether the applicant is entitled to reinstatement and back wages ? OPP
- (5) Relief.

FINDINGS ON ISSUES

Issue No. 1

5. Issue No. 1, already stands decided for the applicant per order dated 4-7-1979.

Issue Nos. 2 and 3

6. These two issues cover the same ground, so they have been taken together for discussion and decision.

7. Ex.A-1 dated 30-12-1975 is the copy of the notice of dispensing with the services of the applicant after one month of its service. But this notice is admitted to have been withdrawn.

8. Thereafter according to the respondents, the applicant went on short leave upto 5-1-1976 but did not turn up thereafter to attend the duties. So the applicant left the service himself. That the charge-sheet could not be served and followed up as the applicant abandoned the service.

9. As against this the applicant contends per his application that after 30-12-1975 he was on medical leave but he was treated absent from duty and terminated with effect from 5-1-1976.

10. In his statement in evidence made by the applicant, it is stated that on 5-1-1976 he applied for leave and when he returned from leave he was told not to join duty as he had been marked absent. That thereafter neither any charge-sheet was served nor any enquiry was held against him. He also alleged that no account settlement was done with him.

11. This statement of the applicant is vague in the extreme. He does not disclose for what period he had gone on leave and when he returned from leave. There is none to corroborate the story of this leave. The so-called medical evidence goes against the version of the applicant.

12. The applicant in cross-examination stated that he had applied for 5 days leave on 5-1-1976 and the application was forwarded through Shri Milap Singh Bus Stand Incharge, Jawalamukhi and given in the office of the Accountant by him. But neither Milap Singh nor the Accountant have been examined by him. Then he goes on to say that he was on medical leave for about one month which was not granted. He claims to have produced medical report from Dr. Raghur Singh to the Accountant in the office. He did not obtain receipt either for the application given to the Accountant or for the medical report. Then he further turns round and states in cross-examination statement that this medical leave was for the month of December.

13. The applicant produced PW 2 one Shri Sohan Lal a Registered Medical Practitioner who testified that the applicant remained in his treatment from 8-11-1975 to 8-12-1975. He says that he does not keep register for medical certificates issued for out-door patients like the applicant. The applicant instead of producing Dr. Raghur Singh examined in evidence Shri Sohan Lal.

14. Thus the story of availing medical leave by the applicant stands falsified by his own evidence. Therefore, the contention of the respondents is correct that the applicant left the service after 5-1-1976. himself.

15. From the above it is clear that applicants services were not terminated (illegally) on 5-1-1976 but he had himself left the service. The respondents have failed to lead evidence of charge-sheeting the applicant on 28-12-1975. They have unnecessarily led evidence of Ex. R-1 to R-7 pertaining to the misappropriation of society's money recovered from the bus passengers as fare in the context of the issues in the case. Hence these two issues are found in favour of the respondents except the charge-sheeting part dated 28-12-1975.

Issue No. 4

For the findings under Issue Nos. 2 and 3 the applicant is not entitled to either reinstatement or back wages.

Issue No. 5

The reference is answered as shown above against the applicant but the parties are to bear the costs as incurred by them.
